Highline College highline.edu	Highline does not have deadlines for general admissions.	Some special programs have specific admission procedures and limited space; therefore, admission to the college does not guarantee availability of all programs and courses. Special programs include seven applied bachelor's degrees, high school completion (including Running Start) and Registered Nursing. Check the specific program admission page for details and deadlines.	\$0	At Highline, placement occurs using a variety of methods, including testing, self-assessment, high school transcripts and scores, other college transcripts, GED® scores and more. We encourage students to work with our Placement & Testing Center staff.	\$0	For general admissions, there are no requirements. A limited number of programs require additional credentials. Check the specific program admission page for details.	Highline has eliminated the Financial Aid deadline for 2023-24 and replaced it with a first-come, first-served system. Applications take an average of 60 days to review. Students are responsible for submitting applications more than 60 days before the start of quarter, which increases their chances of securing funding by the start of the quarter.	Housing is available through a public-private partnership. For details, visit highline.edu/campusview
Lake Washington Institute of Technology lwtech.edu	General admission deadlines are two weeks prior to the quarter start.	Vary by program	\$0 (\$50 for Bachelor Degree)	Guided Self Placement for Math & English; placement by transcript and/or other forms of testing also permitted.	\$0	None	15-Jun-23	None
