

Student Communication Awareness in Canvas - Centralia College

The screenshot shows a web browser window with the URL <https://centralia.instructure.com>. The top navigation bar includes various application icons such as Security, Cutover & GoLive, Centralia, DG4, Outlook, PWA, cDR, myCC, Dual Processing, Training, UAT, and Data Valid.

The main content area features a large blue sidebar on the left with navigation options: Account, Admin, Dashboard, Courses, Groups, Calendar, Inbox, History, Commons, and Help.

The central focus is a "ctcLink Alert: New registration system coming soon!" notification. It includes the ctcLink logo and the text: "Good news for Centralia College students! We have some good news to share about a change that is going to happen during Winter quarter. A new class registration system is coming in February. This is just a quick look at what's coming. We will give you more details as we get closer to February. This new registration system will be easy to use. We think you will really like it! You will be able to register for classes, look up financial aid, and connect with your advisor, all in one place:"

Below the text is a screenshot of the ctcLink Student Homepage, which displays a grid of icons for Message Center, Alerts, Academic Progress, Manage Classes, Financial Aid, Financial Account, Academic Records, Profile, Admissions, and Additional Resources.

The alert concludes with "Learn more" and "Please watch for more announcements about the new registration system that will be coming to Centralia College in February!".

On the right side of the dashboard, there is a "To Do" list with several items, each with a close button (X):

- 10 Grade EXAMPLE College Configuration Homework Assignment
