

# New Go-Lives Affect Current ctcLink Users

Each time a **new** group of colleges goes live on ctcLink PeopleSoft, those already on the system will have required **downtime** to allow newly converted data to be brought into the PeopleSoft system.

Downtime announcement from Spokane Community College:

<https://www.facebook.com/SpokaneCC/posts/1482036061970531/>

The image shows a Facebook post from Spokane Community College (SCC) dated October 12, 2019. The post contains a warning about ctcLink downtime over the weekend for maintenance, while Canvas remains accessible. A large graphic below the text announces the downtime from 5 P.M. on Friday, Oct. 11, until 8 A.M. on Monday, Oct. 14, with an apology '(we're sorry)'. The background of the graphic is a photograph of a college campus with trees and buildings. The SCC logo is in the bottom left corner of the graphic.
