PREAMBLE

The following articles constitute an Agreement by and between the Board of Trustees, Bates Technical College District 28, hereinafter called the "Employer" and the Bates Technical College Local 4184, AFT WASHINGTON/AFL-CIO, hereinafter referred to as the "Union."

This Agreement represents a good faith, negotiated change to multiple sections, as compared to previous versions of negotiated agreements between college administration and the faculty union. These changes are not intended to affect members' primary day-to-day work experience.

The updated sections reflect fundamental changes in both parties' shared organizational understanding of workload, program organization and capacity, and the relationship of these elements to compensation. As the codification of labor management working relations, both parties recognize the need for continued cooperation in establishing new operational norms related to:

1. Annual course construction patterns recognizing the state requirements of credit calculation.
 - a. Programs and their placement in various organizational constructs and alignment with statewide initiatives (e.g. ctclink, Guided Pathways).
 - b. College program capacity and the student metrics used to set these levels.
 - c. It is understood these new norms will shift from headcounts traditionally referenced in Appendix J.
2. The administration and faculty will cooperate in the identification of new capacity levels for identified college programs over the life of this negotiated agreement. Both parties agree to Appendix J, included herein, as the reference for programs awaiting the required analysis to establish the new capacity levels.
 - a. It is the goal of both parties for Appendix J to sunset with the expiration of this agreement.
3. How faculty workload is understood and calculated.
 - a. It is recognized these new norms will reflect the mutually desired goal of maximizing student access to college programs while maintaining an identifiable, balanced work environment for faculty.
4. Incorporating 1 through 4 into established processes related to the implementation of this agreement.

It is mutually recognized that both parties come to the table as equals and each party is representing their constituencies. The LMC will meet, discuss and exchange information of a group nature and general interest to both parties. The employee representatives shall be selected by the Union. The principles of Interest Based Problem Solving will be used to the fullest extent possible during committee meetings. Procedures and ground rules will be mutually agreed upon by the LMC.

4.2 Scope of Authority

The LMC shall have no authority to conduct any negotiations, bargain collectively or modify any provision of this Agreement. Nothing in this Article or any LMC activity shall be subject to the grievance procedure.

ARTICLE V UNION RIGHTS

5.1 Leaves

1. Up to a total of twenty (20) days of release time per academic year shall be provided to the Union for released time for officers and representatives of the Union.
2. Requests for such leave shall be made through the appropriate administrator or to the President in advance of the leave. The purpose of the leave shall be clearly stated. The leave shall not be granted if the purpose violates [RCW 28B.52](#).

The representation fee shall be regarded as fair compensation and reimbursement to the Union for fulfilling its legal obligation to represent all members of the bargaining unit. Refer to [RCW 28B.52.045](#).
2. Substitute and part-time employees who are scheduled to work an average of twenty (20) hours or more per month during the academic year are eligible for the representation fee. The Union agrees to defend, indemnify and hold the College harmless (suits by the College excepted) against any and all claims, suits, orders, or judgments brought or issued against the College as a result of any action taken or not taken by the College pursuant to proper implementation of this section contingent upon the College's agreement that the Union shall be authorized to defend such suit through an attorney of the Union's own choosing.

ARTICLE VI GENERAL CONTRACT PROVISIONS

6.1 Grievance Procedure

A grievance is a claim based upon an alleged violation of this Agreement, written College policies, regulations and rules adopted by the Board, or unfair and inequitable treatment of an employee by an administrator. All grievances shall be presented in writing on the negotiated grievance form. Grievance resolutions shall be reduced to writing and signed by both parties.

6.1.1 Preamble

1. The Union and the College agree that it is in the best interest of all parties to resolve disputes at the earliest opportunity and at the lowest level. The Union and the College encourage problem resolution between employees and supervisors, and are committed to assisting in resolution of disputes in a timely manner. In the event a dispute is not resolved in an informal manner, this article provides a formal process for problem resolution.
2. Prior to filing a written grievance, the employee shall discuss the concern with the appropriate supervisor and every effort shall be made to solve the problem at this level in an informal manner. In the event that the problem is not resolved within the time frame specified in Article 6.1.3 by such discussions, the employee, when possible, will inform the supervisor that the issue may be filed as a grievance. The employee shall be responsible to document all informal efforts to resolve the problem.

6.1.2 General Conditions Related to Grievance Process

1. The number of days indicated at each level shall be considered to be a maximum, and every reasonable effort shall be made to expedite the process. Failure by the grievant to meet time limits established shall constitute waiver of the grievance for all purposes. Failure by the College to meet time limits shall automatically move the grievance to the next level. However,

- time limits may be extended by mutual written agreement.
2. If a Level One grievance is not filed within forty-five (45) working days from the time the individual employee or Union became aware, or reasonably could have been aware, of the act or the creation of the condition upon which the grievance is based, then the grievance shall be waived.
 3. The Union is the exclusive bargaining representative for all employees covered by this Agreement. The Union shall be considered the “grievant” in all grievances filed on behalf of an employee or employees.
 4. A grievance may be filed by the Union on behalf of any or all affected members.
 5. Representation for employees shall be through the Union, unless the employee has elected to “self-represent”. If the individual employee chooses to self-represent, the Union shall be entitled to be present and provide information, testimony or evidence at any grievance meeting. The Union is solely responsible for determining which grievances will be submitted to arbitration.
 6. The employee with a grievance shall be accompanied by a representative designated by the Union in any meeting related to a step in the grievance procedure.
 7. In the event grievances are based on action(s) taken by a higher level administrator, then that grievance may be filed at the appropriate level so that the issue can be addressed by that administrator. This means that in such circumstances, some grievances may be initially filed at Level Two or Level Three.
 8. Upon written request of the Union, or its designated representative, the College will produce copies of documents needed to process grievances.
 9. There shall be no retaliation by the Union, the College or its employees for involvement in or use of the grievance procedure.
 10. In order to preserve an orderly grievance resolution process, once a grievance is moved to a higher level, the authority to take action to resolve the grievance shall reside with the supervisor at that level. Supervisors who were responsible for the grievance at lower levels shall not continue attempts to resolve the grievance once it has moved beyond their level.
 11. No newly alleged violations may be added to the current grievance after the initial written grievance is filed, except by written mutual agreement.
 12. If the College provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.

6.1.3 Grievance Timeline

Within ten (10) work days of delivery of a written grievance at any level, the appropriate supervisor shall schedule a meeting with the individual employee and the Union. Within ten (10) work days after the meeting the supervisor shall render a decision in writing, and deliver it to the grievant, with a copy delivered to the Union president. If the grievance is not resolved, or no decision has been rendered within ten (10) work days, the grievant may move it to the next level. Timelines must be strictly adhered to unless mutually modified in writing by both parties.

6.1.4 Grievance Levels

1. If an issue is not resolved by informal discussions with the supervisor, within the timeline cited in Article 6.1.3, the grievance will be submitted in writing on the negotiated grievance form.
2. The grievance must include the following information:
 - a) The date of the alleged incident
 - b) The nature of the grievance

- c) The facts upon which it is based
 - d) The specific article and section of the Agreement violated
 - e) The specific remedy requested
 - f) The name of the grievant
 - g) The name and signature of the authorized Union representative
3. The Union will file the grievance on behalf of the member(s) at the appropriate level.
- a) **LEVEL ONE** – Immediate Supervisor
 - b) **LEVEL TWO** – Second Line Supervisor or Designee
 - c) **LEVEL THREE** – President or Designee
 - d) **LEVEL FOUR** – Optional Alternative Dispute Resolution (ADR)
 - i. The Union and College President or designee may mutually agree to submit the dispute to ADR. In the event a grievance is submitted to ADR, the timelines for submission to arbitration shall be set aside, until the ADR process is completed.
 - ii. ADR must be requested within ten (10) work days of receiving the Level Three response. Both parties will jointly agree upon an ADR facilitator. The costs of ADR will be borne equally by the parties. Sources of third party facilitators may include, but are not limited to, Public Employee Relations Commission (PERC) and Federal Mediation and Conciliation Service (FMCS). If an agreement is not reached through the ADR process, then the Union may request arbitration in accordance with the Level Five process below.
 - e) **LEVEL FIVE** – Arbitration
 - i. If the grievance is not settled at Level Three (or Optional Level Four), or if no decision has been rendered within ten (10) work days of the Level Three (or Optional Level Four) meeting, then within twenty (20) work days, the Union may file a demand for arbitration. The demand for arbitration shall be submitted in writing to the American Arbitration Association under its voluntary rules. A copy of the demand shall be submitted to the College President or designee. The College and Union will select the arbitrator in accordance with the selection procedures of the American Arbitration Association.
 - ii. If a grievance is based upon an alleged violation of this Agreement and/or written College policies, regulations and rules adopted by the Board and/or unfair and inequitable treatment, then only that portion based upon the alleged violation of this Agreement, which is initiated consistent within time limits herein established prior to the expiration of this Agreement, shall be subject to arbitration.
 - iii. The arbitrator shall have authority to hold hearings and make procedural rules. The College and the Union request and expect that the arbitrator's findings will be issued within thirty (30) calendar days after the date of the close of the hearings or, if requested by either party, within thirty (30) calendar days from the date the written briefs are submitted to the arbitrator.
 - iv. The arbitrator's findings shall be submitted in writing to the College and to the Union and shall set forth findings of fact, reasoning and conclusions on the issues submitted. The arbitrator's decision shall be consistent with existing statutes, all provisions of this Agreement and shall be binding on both parties. The arbitrator may retain jurisdiction until such time as the award is completed.
 - v. Either party may request that procedural and substantive issues be consolidated for the hearing, provided that the arbitrator shall resolve procedural issues before hearing the merits of the grievance, unless the parties mutually agree

- otherwise.
- vi. The fees and expenses of the arbitrator shall be borne equally by the College and the Union. Costs of representation and/or witness fees shall be borne by the party incurring them.
 - vii. The arbitrator shall have no power to alter, add to, subtract from, disregard or modify the terms of this Agreement.
 - viii. Because other avenues of redress are covered in [RCW 28B](#), the arbitrator shall have no power or authority to rule on any of the following:
 - a. The termination of service for cause or failure to re-employ any non-tenured probationary employee.
 - b. The termination of services or failure to re-employ any part-time employee.
 - c. Employee evaluation, provided, however, the evaluation procedures in Article X, shall be subject to arbitration.
 - d. Dismissal for sufficient cause or reduction-in-force of bargaining unit employees provided the procedures required prior to the issuance of formal notice Articles 10.7, 10.8, 10.9 shall be subject to arbitration.

6.2 Diversity, Equity and Inclusion

The Union and the College recognize the importance of the development of strategies and best practices regarding diversity, equity and inclusion. Both parties embrace and promote best practices that create a more inclusive and equitable college community.

6.3 Equitable Treatment/Nondiscrimination

1. The parties agree that they will not engage in any act or practice or pursue any policy which results directly or indirectly in coercion or discrimination on the basis of race, creed, color, national or ethnic origin, gender, marital status, sexual orientation, age, religion, status as a veteran, disability or political affiliation.
2. The College will not discriminate in applying the provisions of this Agreement.
3. The Employer agrees that it will not discriminate against employees because of their membership or non-membership in employee organizations.

6.4 Leave Approval

The authority to grant leaves rests with the President or designee. The responsibility for reviewing an application for leave is that of the SA.

6.5 Bargaining a New Contract

1. The Employer and Union may agree to use a collaborative bargaining approach when negotiating a new contract. Such processes may follow guidelines provided by the Federal Mediation and Conciliation Service (FMCS).
2. The Union will notify the Employer no later than ninety (90) days prior to expiration of the collective bargaining agreement to formally open negotiations. Bargaining will be conducted at times and places mutually agreeable to the negotiators named by each party. The Employer and the Union may list the issues to be negotiated at the first meeting. Other issues may be added to

the list at a later date if mutually agreed to.

3. During negotiations the following principles of Interest Based Bargaining, as established by the FMCS, will be used to the extent possible by both parties:
 - a) Share relevant information which is critical for effective solutions
 - b) Focus on issues, not personalities
 - c) Focus on the present and future, not the past
 - d) Focus on the interests underlying the issues, not only on positions
 - e) Focus on mutual interests; helping to satisfy the other party's interests as well as your own
 - f) Brainstorm to generate options to satisfy mutual and separate interests
 - g) Evaluate options to satisfy those interests by objective criteria, rather than power of leverage
4. The negotiators for each party shall have the authority to make tentative agreements. However, final agreement shall be contingent upon favorable ratification by the Board and the Union.
5. Bargaining sessions will be conducted according to a set of ground rules established by the parties at their first meeting. The Employer will release up to five (5) negotiators on the Union team without loss of pay for negotiation sessions scheduled during the work day.
6. Upon request by the Union, the Employer shall furnish information including but not limited to, budget, monthly and annual financial report(s) and staff placement on the College salary schedules.
7. Any changes in these procedures shall be made through the process of bargaining as provided herein.

ARTICLE VII VACANCIES, EMPLOYMENT, SALARIES AND BENEFITS

7.1 Vacancies

1. All authorized full-time faculty position vacancies, new or replacement, will be posted on the Employer's official job website. The tenure status will be clearly identified on the job posting, as determined by the NOFPE workgroup. See Article IX.
2. When a faculty position, with tenure status, becomes vacant in a multi-faculty program, and if the position will be rehired as a tenure track, the administration will conduct an internal recruitment process when attempting to fill the position. The goal of the internal process is to provide full-time faculty in non-tenured positions an opportunity to apply prior to external recruitment.
3. Employees shall receive written notification of their terms of employment (regular contract, appointment letter, payroll authorization, or temporary contract) prior to beginning work or within twenty (20) work days after commencing work. Notification will include compensation and expected duration of employment and a copy will be provided to the Union and placed in the employee's personnel file.
4. Each new employee will be oriented to policies and rules governing the College.

7.2 Regular Contract

1. A full-time or annually contracted part-time employee shall be issued a regular contract effective July 1 through June 30 each year, entitled "Employee Employment Agreement" which shall be in conformity with Washington State law. Upon receipt of the corrective action plan, the employee will be given an opportunity to respond in writing and resolve the identified problem. A corrective action plan will not be placed in the employee's personnel file and is not considered discipline.

10.3 Discipline

1. Discipline shall only be for cause. An employee will not be disciplined for an arbitrary or capricious reason. A process of progressive discipline will be used. Progressive discipline includes written warning, written reprimand, suspension of other actions less than dismissal as appropriate to the infraction. Employees are expected to be familiar with and comply with all published College policies.
3. Written reprimands shall be clearly identified as such and delivered to the employee who shall acknowledge receipt in writing prior to being placed in the employee's personnel file. The employee's signature implies knowledge of the reprimand, not agreement. Refusal to sign will be noted. The employee has the right to attach a written response to the reprimand.
4. Suspension with or without pay shall be imposed only in cases of a serious nature, and /or where the employee's presence would pose a danger to student or staff, and/or would create a liability for the College. The employee shall be afforded a conference with the appropriate SA to discuss the infraction and discipline.

- sustainable and no satisfactory alternative to a RIF can be found
- e. Program reduction or elimination formally approved by the Board of Trustees after the provisions below have been completed

The reasons and conditions necessitating the RIF will be included in such notice. The appointing authority or designee will consider all recommendations and alternatives presented by the Union and administrative staff that are received within thirty (30) work days of the issuance of the notice. In the event that enrollment in the total program falls to a level which may necessitate a RIF of an employee, the separate programs – day, afternoon or alternative/late evening – shall be merged with the senior Instructor choice as to shift worked.

10.12 Seniority

1. Seniority is the total years of full-time contractual service in a specific RIF category as an employee at Bates Technical College.
