### **37.4 Seniority**

#### **A. Definition**

Seniority shall be based on the number of years of employment beginning with the date of the signing of the first full-time faculty contract for the most recent period of continuous full-time service at the College and shall include leaves of absence, sabbaticals, and faculty members employed by the District prior to July 1967. The person with the highest number of qualifying years shall be the most senior; in the case of ties, seniority shall be determined in the following order:

- 1. First date of the signature of a letter of intent to accept employment or first date of signature of an Employment Contract, whichever is earlier.

2. First date of application for employment.

B. Faculty/Administrative Appointment

In the event non-bargaining unit members assume bargaining unit status, continuous service with the District shall be included in making the appropriate seniority determination required in A above. An exception is that tenured faculty who assume administrative exempt appointments subsequent to the approval of this contract will not be entitled to count years of administrative experience when determining seniority.

37.5 Order of Reduction

If a reduction is determined to be necessary within a reduction-in-force unit, the order of reduction will be based on seniority. Prior to the laying off of any academic employee within an affected unit, the following actions will first be taken, provided there are qualified academic employees to perform and fulfill the requirements of the academic employee position vacated by the below-mentioned resignation, retirement or leave of absence:

- A. Normal academic employee resignations in the same unit will not be replaced.
- B. Voluntary academic employee retirements from the same unit will not be replaced.
- C. Normal and regular academic employee leaves from the same unit will not be replaced for the duration of the time that such leave is applicable.
- D. Vacant positions within the same lay-off unit will be filled from within.

37.6 Notification of Lay-Off

When the President determines that a Reduction-in-Force is necessary and has selected the affected employees to be reduced, the initial step shall be for the President to meet with the employee and discuss the proposed termination/dismissal with the individual employee in personal conference which shall be an informal proceeding for purposes of Chapter 34.05 RCW. The matter may be resolved at this step by the use of alternatives such as reassignment, leave of absence, retirement, resignation, etc. Subsequent steps in the procedure for Reduction-in-Force are specified in Article 36.4, Hearing Procedure for Dismissal.

37.7 Financial Emergency

In the event that the Reduction-in-Force is because of financial emergency pursuant to Article 37.1 (B) above, the following conditions shall apply:

- A. In the case of a reduction-in-force for reasons set forth in Article 37.1 (B) above, the notice shall clearly indicate the separation is not due to the job performance of the employee and hence is without prejudice to such employee and, in addition, shall indicate the basis for reduction-in-force as one or both of the reasons set forth in Article 37.1 (B) above. The notice must also indicate the effective date of separation from service.

- B. In the case of a reduction-in-force for reasons set forth in Article 37.1 (B) above, at the time of a faculty member's or members' request for formal hearing, said faculty member's or members' may ask for participation in the choosing of the hearing officer in the manner provided in [RCW 28A.58.455\(4\)](#), said employee therein being a faculty member for the purposes hereof, and said board of directors therein being the Board of Trustees for purposes hereof: PROVIDED, That where there is more than one (1) faculty member affected by the Board of Trustees' reduction-in-force, such faculty members requesting hearing must act collectively in making such request: PROVIDED FURTHER, That costs incurred for the services and expenses of such hearing officer shall be shared equally by the community college and the faculty member or faculty members requesting hearing.
- C. In the case of reduction-in-force for reasons set forth in Article 37.1 (B), the hearing shall be consolidated; only one (1) such hearing for the affected faculty members shall be held and such consolidated hearing shall be concluded within the time frame set forth herein.
- D. In the case of a reduction-in-force for reasons set forth in Article 37.1 (B) above, the formal hearing (pursuant to [RCW 34.05.413-476](#) and conducted by the hearing officer appointed by the Board of Trustees): (a) shall be concluded by the hearing officer within sixty (60) days after written notice of the reduction-in-force has been issued; (b) the only issue to be determined shall be whether under the applicable policies, rules or bargaining agreement, the particular faculty member or members advised of severance are the proper ones to be terminated; (c) any findings, conclusions of law and recommended decision shall not be subject to further tenure review committee action.
- E. In the case of a reduction-in-force for reasons set forth in Article 37.1 (B) above, failure to request a hearing shall cause separation from service on the effective date stated in the notice, regardless of the duration of any individual employment contract. In the case of a reduction-in-force for reasons set forth in Article 37.1 (B) above, separation from service after formal hearing shall become effective upon final action by the Board of Trustees.

### 37.8 Appeal Rights

- A. An employee, upon receipt of the President's letter of intent to recommend lay-off, shall be afforded appeal rights defined in Article 36.4; provided, however, that if any member of the Dismissal Review Committee is potentially affected by the recommendation to be submitted, an alternate member shall be immediately elected and provided further that arguments in the formal hearing process shall be limited to data and reasons for the selection of the individual selected for lay-off.
- B. All matters regarding Reduction-in-Force shall be consolidated into a single Dismissal Review Committee hearing.
- C. Except in extraordinary circumstances, the effective date of the Reduction-in-Force shall be the end of the academic quarter in which the Board of Trustees makes the final determination.

### 37.9 Recall Rights

Employees who have been laid off as a result of this Article shall have the right to be recalled. Recall shall be in reverse order of lay-off by lay-off unit to a position, either a newly-created or vacant full-time position, provided the employee is qualified to perform the needed duties of such position. The period of recall shall extend three years after the effective date of lay-off.

### 37.10 Special Provisions

- A. Upon the request of a faculty member laid off for reasons of this Article the College President shall write a letter to other institutions of the Northwest stating: (1) the reason of said lay-off; (2) the qualifications of the affected faculty member; and (3) any other pertinent information which may be of assistance in securing another employment position.
- B. Upon mutual agreement between the faculty member and the District, appeal rights outlined in this Agreement may be waived in favor of final and binding arbitration, pursuant to Article 36.4 (E).
- C. Except as specifically stated herein, the grievance procedure of this Contract shall not be applicable to this Article.
- D. In the event an employee hired prior to July 1, 2003 does not exercise appeal rights in Article 36.4, such employee shall be guaranteed a cash out payment equivalent to fifty (50) contract days of pay. In the event an employee hired on or after July 1, 2003 does not exercise appeal rights in Article 36.4, such employee shall be guaranteed a cash out payment equivalent to twenty-five (25) contract days of pay. If a faculty member is recalled for the subsequent quarter, this guaranteed cash out payment will be forfeited. This section does not apply to employees hired at WSP after January 15, 1999.
- E. This section applies only to WSP employees hired prior to January 15, 1999. In the event the contract between the Department of Corrections and Walla Walla Community College is not renewed and an employee does not exercise appeal rights in Article 36.4, such employee shall be guaranteed a cash-out payment equivalent to fifty (50) contract days of pay. However, if such faculty declines a subsequent offer of a full-time teaching position at WSP within 65 days of the last date of employment by the college, the cash-out payment will be repaid to the college.
- F. Annually contracted employees upon recall shall retain all previously accrued benefits such as sick leave. No District benefits shall accrue or be granted to an individual while on lay-off status. Benefits may be transferred and/or self-paid to the extent permitted by law.

## **Article 38 Part-Time Faculty**

### 38.1 Fringe Benefits

Part-time employees shall receive health insurance benefits in accordance with Public Employee Benefits Board (PEBB) rules and regulations. For purposes of determining

This form will state placement on the faculty salary schedule, rate of pay, total salary, and duration of the period of employment.
- C. All payroll authorization forms and employment contracts that are issued shall be consistent with the terms and provisions of this Contract and this Contract shall be controlling should there be any inconsistencies.

### 38.4 Salary Payment

### 38.6 Sick Leave

#### A. Accrual

Part-time faculty under contract shall accrue sick leave in hourly increments. The rate of accrual shall be pro-rated based upon their percent of work time as compared to that of full-time faculty. The maximum number of sick leave hours a part-time instructor may be granted shall not exceed seven (7) hours per month.

## B. Use

1. According to the provisions of [RCW 28B.50.4893](#):

  - b. The provisions of [RCW 41.04.665](#) shall apply to leave sharing for part-time academic employees who accrue sick leave under subsection 1a of this section.
  - c. The provisions of [RCW 28B.50.553](#) shall apply to remuneration for unused sick leave for part-time academic employees who accrue sick leave under subsection 1a of this section.
2. Employees shall report illness to the division coordinator or the employee's immediate supervisor at the beginning of any period of leave and daily thereafter unless prearranged. A physician's certificate of illness or injury may be required for approval of sick leave in excess of three (3) occurrences (work days) in a quarter.
3. Part-time faculty who are benefits eligible and teaching the equivalent of a full-time load are permitted the use of accrued sick leave for one personal day per quarter.
4. All requests for and reports of sick leave must be documented by completing the appropriate form.

## C. Transfer

Part-time faculty may transfer accrued leave to or from any state agency, any educational service district, any school district, or any other institution of higher education as provided in [RCW 28B.50.551\(5\)](#).

- D. A break in service of less than five (5) years shall not result in the loss of accumulated sick leave.

### 38.7 Shared Leave

Part-time faculty who accrue sick leave may participate in the College's shared leave program, on a pro-rata basis, in accordance with the WWCC Shared Leave Policy.

### 38.8 Sick Leave Cash-Out

Part-time faculty who retire are required to participate in the medical expense plan (VEBA) on the same basis as full-time faculty, subject to VEBA rules and regulations for participation. If the VEBA is not active at the time of retirement, the sick leave will be cashed out to the individual employee. For purposes of sick leave cash out, part-time faculty must provide the College with appropriate verification from the State Board Retirement Plan or social security which shows they are receiving distribution payments and are in retirement status.

### 38.9 Rate of Leave Earned

Part-time contracted employees compensated on the full-time salary schedule shall receive illness, injury, emergency, and bereavement leave on a pro rata basis. Quarterly contracted employees compensated on a full-time salary schedule who teach a full load for three quarters during an academic year shall receive personal leave.

  - 2. Must be teaching at least five (5) credits when application for funding takes place.
  - 3. Must be approved or recommended by their supervisor.
- B. Funds for this activity will be administered by the Vice President of Instruction with assistance from the Professional Development Committee. Part-time instructors working at one of WWCC's contracted correctional educational facilities will be funded by DOC contract dollars.

### 38.11 Attendance at Professional Development Activities and Meetings

Part-time instructors who, at the request of their supervisors, attend professional development activities and/or meetings will be paid for those hours.

### 38.12 Process for Evaluating Part-Time Faculty

- A. Part-time instructors are important contributors to the educational mission of WWCC. Evaluation is an important strategy ensuring quality instruction. Evaluation provides useful information to the part-time instructors as a means to encourage continuous improvement. Therefore, evaluation of part-time instructors is an integral component of a comprehensive faculty evaluation system. (See Article 32)

## **Article 39 Grievance Procedure**

### 39.1 Definition and Procedure

A grievance is hereby defined as a complaint by the Association regarding the interpretation or application of the terms of this Agreement by the Employer. Such grievances shall be handled in the following manner:

- A. **Step One**

The grievant(s) and the Association representatives must present in writing the alleged grievance to the Vice President of Instruction. The Vice President of Instruction shall answer the grievance in writing within ten (10) working days thereafter and shall concurrently send a copy of the grievance and the answer to the Association.

- B. Step Two  
If no resolution is reached at Step One, the written grievance must be submitted to the District President; provided it is filed with the District President or designated representative not more than ten (10) working days after it is answered in Step One. Representative(s) of the Association shall be present at any meeting called to consider the grievance at this step. The District President or designated representative shall send a written answer to the Association within ten (10) working days. Such answer shall be deemed to be the position of the Employer.
- C. Step Three  
If no resolution is reached at Step Two, the Association may at its sole discretion within ten (10) working days after the date of the Step Two answer, request by written notice to the District President that the grievance be arbitrated, provided that the grievance presents a matter that is subject to arbitration as herein defined.

### 39.2 Time Limits

With respect to Article 39.1, the following time limits are established. Any grievance not presented in writing as provided in Step One of Article 39.1 above within thirty (30) working days after the grievant becomes aware of the facts on which the grievance is based, shall be waived for all purposes. Other time limits may be extended by written mutual agreement of the parties. Working day, as used in this article, shall mean any day the College is open to the public but shall exclude Saturdays, Sundays, and official holidays.

### 39.3 Arbitration

Matters subject to arbitration shall be referred to the American Arbitration Association under voluntary rules. Expedited rules and procedures of the American Arbitration Association may be utilized upon the written consent of the parties.

### 39.4 Jurisdiction of the Arbitrator

Jurisdiction of the arbitrator is limited to:

- A. Adjudication of the issues which, under the express terms of this Agreement and any Submission Agreement, are subject to arbitration.
- B. Interpretation of the specific terms of this Agreement which are applicable to the particular issue presented to the arbitrator, and such jurisdiction shall not give such arbitrator authority to supplement or modify or amend any terms or conditions of this Agreement.
- C. The rendition of a decision or award based solely on the evidence and matters presented to the arbitrator by the respective parties in the presence of each other, and the matters presented in the written briefs of the parties.
- D. Upon request of either party, the merits of a grievance and the procedural arbitrability issues arising in connection with that grievance shall be consolidated for hearing before the arbitrator provided that an arbitrator shall resolve the arbitrability of a grievance before hearing the merits of the grievance.

E. An arbitrator shall not have the authority to remand an issue back to the parties for negotiations as a part of any award.

### 39.5 Fees and Expenses, Decision of Arbitrator

The fees and expenses of the arbitrator shall be borne equally by the parties. The decision of the arbitrator shall be final and binding upon the Employer, the Association and the employees affected consistent with the terms of this Agreement.

### 39.6 Records

All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants. Requests by the Association for information needed for processing of any grievance shall not be unreasonably denied. Grievance hearings shall be conducted during normal working hours consistent with minimal interference with instructional duties. Employees directly participating in such hearings shall suffer no loss of pay.

## Article 40 Salary Schedule

### 40.1 Legislative Authorization

All commitments in regard to compensation and economic fringe benefits which are required by this Agreement, including the salary schedule, Appendix C, are contingent upon legislative authorization.

### 40.2 Placement of New Academic Full Time Employees

New academic employees will have their education and experience credited and be placed as a percent of the starting salary as follows:

Years of relevant teaching and/or work experience	Journeyman Status, Five-Year Vocational Certificate, AA, AAAS, Bachelor's or Master's degree	Nursing Faculty	Doctorate Degree
0 – 4.99 years	Step 1	Step 3	Step 3
5 – 9.99 years	Step 1	Step 3	Step 3
10 – 14.99 years	Step 2	Step 3	Step 4
15 – 19.99 years	Step 2	Step 4	Step 4
20+ years	Step 3	Step 4	Step 5

Part-time teaching and work experience will be prorated for salary placement purposes. Military experience will be credited in the same manner as other experience when it is documented as being relevant to the employee's professional field. Any military service which interrupted a teaching career may be included up to a limit of four years. Work and/or teaching experience not directly related to assignment may be counted at the college's discretion. The Association will be informed of all new placements. In the event exceptional placements are required for competitive purposes, the Association will

be consulted before a final placement decision is made.

#### 40.3 Advancement on the Full Time Salary Schedule

- A. Advancement on the salary schedule is contingent upon completion of a portfolio and recommendation of the promotion review committee and approval of the Vice President of Instruction.

Failure to satisfy the faculty responsibilities outlined in Article 12 may result in a withholding of salary advancement, or in termination of the employee's contract.

#### 40.4 Part-Time, Overload Faculty Salary Schedule

Part-time faculty schedule is attached as Appendix D.

- A. This compensation is based on the course master which identifies the number of hours a class is scheduled to meet each quarter. This compensation covers all activities necessary to successfully offer this class, including but not limited to preparation time, teaching time, exam time, grading, consultation with students, etc.
- B. Classes without sufficient enrollment may be canceled. Low enrolled courses will be compensated according to the part-time salary schedule if enrollment has not met the full enrollment threshold prior to the start of the quarter. Sufficient enrollment will be determined by the College dependent upon College needs, state allocations, and other factors. The College has the right to cancel low enrolled courses.
- C. Overload pay for Cooperative Education will be paid at \$275 per Quarterly Student FTE (QFTE) generated rounded to the nearest .5 QFTE. Faculty supervision and work related to a campus-based Cooperative Education experience outside of their normal workday will be compensated at the non-teaching rate.
- D. All special topics/special problems courses will be approved in advance by the Vice President of Instruction. Compensation for special topics/special problems courses will be paid at \$30.00 per credit. This provision does not apply in cases where these courses are part of an instructor's full-time workload.

#### 40.5 Salary Increase Provisions

In the event the Washington State Legislature renews and/or enacts new legislation which allows WWCC the opportunity to improve faculty salaries from other college funds, then the parties shall commence negotiations within thirty (30) days of effective date.

## **Article 41 Individual Contracts**

- 41.1 The Employer shall provide notification of continued employment to each full-time employee prior to the end of Spring Quarter of the preceding academic year. Personnel employed in programs contingent upon contracted funds shall be given a letter of intent relative to continuation of the program in lieu of notification of employment. In such cases notification must be issued by June 30. Certified mail shall be used in instances where an employee is on leave at the time contracts are issued provided the employee has left a forwarding address prior to commencement of leave.

- 41.2 Each full-time employee who does not intend to return to employment in their respective appointment shall so notify the Employer in writing no later than ten (10) days after notification by the President.

## **Article 42 Payment**

  2. Contract is divided into twenty-four (24) equal amounts and paid 1/24<sup>th</sup> semi-monthly, September through May and a balloon payment of 6/24<sup>th</sup> in June.
- B. July through June Employment. The Contract is divided into twenty-four (24) equal amounts and paid semi-monthly, July through June.
- C. Alternate Employment Schedule. Semi-monthly amounts encompassing August start date will be established between employee and payroll personnel in cooperation with appropriate administrative approval.
- 42.2 In the event of a mid-year termination, and prior to final payment because of such termination, the appropriate vice president and the Business Office will determine actual contract days worked and compute the earned compensation based on the daily rate for that employee. This computed amount will be compared to actual total salary payments and an appropriate adjustment made to the final payment. If the employee has been overpaid, the overpayment will be reimbursed to the College by the employee
- 42.3 Other Deductions

The District shall, upon receipt of written authorization from an employee, deduct from the employee's salary and make appropriate remittance for all voluntary deductions approved by the State Board and the District Board of Trustees. Termination of deductions shall not occur without a ten (10) day prior notification to the employee.

## **Article 43 Uninterrupted Instructional Activities**

The Employer and the Association agree that disputes which may arise between them shall be settled without resort to strike or lockout. ## Article 44 Duration

This contract shall remain in full force and effect from July 1, 2022 to and including June 30, 2025. ### ***COURSE Syllabus Considerations***

Upload your Syllabus: <https://apps.wbcc.edu/faculty/uploading-your-syllabus/>

The Course Review Checklist combines Canvas expertise, Universal Design for Learning principles, and research-based pedagogical best practices to create a tool that can elevate the quality and compliance with online, hybrid, and web-enhanced learning standards in Canvas courses. (form can be found [here](#))

Requirements for Syllabus (all modalities)	
<input type="checkbox"/>	A syllabus is a contract between the faculty member and the students in the course. As such, certain elements must be included for students to be successful. The following are <b>required</b> syllabus items.
<input type="checkbox"/>	Syllabus must contain: Your name, email, office phone number, contact directions, and which days of the week are to be considered your “weekend”. Time frames are set for when students should expect a reply. <b>Note:</b> For security and FERPA reasons, avoid using a personal cell/home phone number. Adjuncts who do not have a WWCC office should create (and share with students) a <a href="#">Google Phone Number</a> that will forward to personal phone. These are free as a “personal number” and will work for texting also.
<input type="checkbox"/>	Syllabus must contain your textbook’s name and ISBN number (the 13 digit one)
<input type="checkbox"/>	Syllabus must provide information on participation expectations for hybrid/online courses (e.g. student must login a minimum of three days per week); technology requirements; and supplemental textbooks, reading lists, and course materials.
<input type="checkbox"/>	Syllabus must contain current and accurate course description and intended learning outcomes from the Master Course Outline (MCO). (Bonus points for those who include CwOLAs). All WWCC instructors are bound to the course descriptions and outcomes approved by the Curriculum Committee. <b>Note:</b> This is required for accreditation.
<input type="checkbox"/>	Syllabus must contain your grading policy, grading scale, expected turn-around time for grading assignments (7 days or less), and late policy
<input type="checkbox"/>	Syllabi must be uploaded to the WWCC website by all faculty <b>each quarter</b> . <a href="#">Use these directions for uploading your syllabi</a> if you are unfamiliar.
<input type="checkbox"/>	Syllabus must contain the required ADA, Equal Opportunity, and Religious Event statements and use the provided wording. <a href="#">Required wording can be found here</a> .
<input type="checkbox"/>	Syllabus must contain <a href="#">a “Plan C” for your course</a> so students know what to do in case of inclement weather, power outages, network problems, instructor illness/absence, etc. Students should know what to do (e.g., look for a new announcement? Canvas message? Check the course homepage by 8 am?) in case of school closure or canceled classes in order for their learning to continue.
